CFPB UPDATES

Integration is the Key

Today: Settlement agents collect invoices, statements and other transaction information to prepare a settlement statement or HUD-1.

As of August: Settlement agents will collect the same information but LENDERS will likely prepare the Closing Disclosure (CD).

Have you considered this...

How will the information get from the settlement agent to the lender?

Integration. First American Title is adapting our technology to facilitate secure and efficient communication with lender systems. As a national company, we are uniquely poised to tackle these large scale projects and dedicate the necessary resources.
